Little Fighter 2

The image shows the character selection screen for Little Fighter 2. It features a blue header with the game title and window controls. Below the header is a menu for starting the fight, including options to reset all or random characters, set the background to Stanley Prison, and set the difficulty to Normal. The main area is titled 'Character Selection' and displays two rows of character portraits. Each portrait is accompanied by a table listing the player number, whether the character is controlled by a computer, the character's name, and their team affiliation. The first row shows Player 1 as 'Template' (Independent) and three computer-controlled characters: Henry, Louis, and Rudolf. The second row shows four computer-controlled characters: Woody, John, Dennis, and Firen. Below the selection screen is a preview of the fight arena, showing health bars for all eight fighters and a 2D view of the arena with a crowd and fighters in their starting positions.
